Björn Maxeiner; Director and Head of P&M testing, Olfasense GmbH

One-on-One Consultation

On 5 and 6 May, you will have the unique opportunity to meet our experts in one-on-one interactions to find the right answers to your odour-related questions.

Due to availability of limited time slots, we suggest that you register right away to book your slot and avoid disappointment.

Further information

Delegate fee

395 EUR (excl. VAT) - Standard rate after 25 February 2022. The one-on-one sessions are free of charge.

Registration

Registrations for participation will be accepted until 29 April 2022. Before registering, please check out our [data privacy statement](#).

Venue

We will welcome you at our Olfasense premises situated at the [Kiel Innovation & Technology Center](#), located about 1 hour from Hamburg airport with good public transportation links.

Covid-19 safety concept at a glance

In order to offer the best possible and safest conditions, our current Covid-19 concept is as follows:

- » Access only with negative rapid test for the SARS-CoV-2 coronavirus (also for vaccinated and recovered persons). Daily test for 4 and 5 May. Certificate from authorised service provider. We will provide a list of test centers in the vicinity of the event to all participants beforehand.
- » No mask requirement. However, each participant is free to wear a mask. General safety rules (distance, ventilation, provision of disinfectant).
- » Please do not attend if you have symptoms of Covid-19!
